**"Investing In
Tomorrow's
Youth Today"**

The Three Aims of Scouting

Growth in moral strength and character

We may define this as what the boy is himself: his qualities, his values, his outlook.

Development in physical, mental and emotional fitness

Fitness includes the body (well tuned and healthy), the mind (able to think and solve problems), and the emotions (self-control, courage, and self-respect)

Participating in Citizenship

Used broadly, citizenship means boy's relationship to others. He comes to learn obligations to other people, to the society he lives in, and to the government that presides over that society.

THE COST OF SCOUTING

It costs the Great Sauk Trail Council \$140 to provide the services that support one youth in Cub Scouts, Boy Scouts, or Venturing for one year.

Your contribution will go to help fund these worthy needs:

- Leader Training
- 2 Service Centers and Staff
- 3 Scout Camps and Rangers
- Program Administration
- Scoutreach for underprivileged youth
- 6 professional District Executives
- Postage, Utilities and Internet Fees
- The Challenge Newsletter
- Liability Insurance

According to a Harris Interactive Study that researched adults who had been Scouts:

- 96% of Scouts say that Scouting has had a positive affect on their honesty
- 78% responded that Scouting has taught them to care for other people.
- 96% say Scouting helped them become better team players.
- 94% say Scouting has given them great pride in their country.
- 91% say Scouting has developed their understanding for those less fortunate than themselves.
